Sweet Treats -- Quilts and the Recipes that Inspired Them

Description:

Create any quilt from Sandy's newest book, *Sweet Treats*. This book features twelve dessert-inspired quilts with delicious names like Key Lime Pie (shown), Caramel Sundae, Mud Pie, Chocolate Decadence, and Apple Crisp, to name only a few. Ten matching recipes from Sandy's kitchen are included in the book. All of these quilts look intricate, but are easy to make from just 2 simple blocks. In addition to spending a relaxing week of sewing on the dessert quilt you choose, you will also learn Sandy's secrets for working with color and value principles in simple, straight-forward quilter's language.
