

## GYLEEN X. FITZGERALD

# Polygon Affair and Independent Study

**Description:** It's a Polygon Affair! Learn to make piece hexagons using Butterfly Seams. Explore your creative side as you color or fussy cut the polygon shapes. Come relax, the class includes just about everything you need for a bright and colorful hexagon. Make the 12-block sampler or select your favorites for a 4-block wall-hanging.

### Fabric Requirements:

- Solids (1-6)  $\frac{3}{4}$  yard each
- Background A:  $2\frac{1}{4}$  yards
- Background B: 1 yard
- Binding:  $\frac{1}{2}$  yard
- Backing: 4 yards

**Special tools:** Gyleen's Polygon Tool (\$14); Polygon2 Tool (\$20) and Polygon3 Tool (\$15)

**Instructions:** Sampler Booklet (\$24)

**General supplies:** Sewing machine with manual (are machines provided?);  $\frac{1}{4}$ " foot without edge guide (if possible); (2) thread colors, one for the top and another in the bobbin and that is visible on the wrong side of fabric; seam ripper; thread snips; rotary cutter, ruler and mat; extension cord (if needed); straight pins; finger pressing tool; and batting to use as a design wall (optional).

Bring a table top light with multi-plug extension cord with surge protection and something to cover your work at night

**Gyleen's thoughts:** Oh, what fun it is to just sit and stitch. Each fancy pieced hexagon block can be used alone or you can add more to make a wall-hanging. If you're selecting fabric, I think any color palette would work. I made Simplicity using Shot Cotton in colors that formed a rainbow. My background choice was an unexpected periwinkle and dusty grey. Alternatively, using jewel tones with striking charcoal grey and jet-black backgrounds would make Simplicity pop with energy.
