

BECKY GOLDSMITH

Independent Study

Because this is an independent study, I can't tell you exactly what you will need in class. Please read any instructions that pertain to your project and bring the necessary supplies with you. I will have some notions and books for sale in class.

The supplies listed below are typical supplies that are needed to make most quilts. Please do read through your pattern and make a list of additional supplies that you will need. I will have some notions in class for sale.

Feel free to contact me before class to let me know what you intend to work on. The more I know about your project and what you hope to achieve, the more I will be able to help you. My email address is becky.pieceocake@gmail.com.

COMMON CLASS SUPPLIES

- Fabric – Bring the fabric you need for your project.
- The pattern or book you are working from.
- A sewing machine in good working order. You may not necessarily need your biggest, most expensive machine.
- Please sew on this machine before you leave home to be sure it is working well.
- A rotary cutting mat, ruler(s), and rotary cutter
- Small, sharp paper scissors
- Small, sharp fabric scissors
- Bigger scissors or shears
- Pencils for fabric, light and dark.
- Thread.
- Pins.
- A portable 45" x 60" foam core design wall is provided. Bring a piece of batting, flannel, or a flannel-backed vinyl tablecloth to cover this foam core board.
- Scotch tape and painter's tape. You may not need it but if you do, it's nice to have on hand.
- Resealable plastic bags come in handy
- A table-top light with power strip and/or extension cord with surge protection.
- If you are driving, consider bringing a comfortable desk chair.
- A sandpaper board is handy if you are going to be tracing or drawing on your fabric.
- Something to cover your work at night.

Day 1

Set up and introductions.

Days 2-5

Glorious, happy, relaxing time to sew!

SESSION 3

Sunday to Friday, March 17–22, 2024

Mail: 5306 Springridge Court, Fairfield, CA 94534-4005 | Phone: (707) 864-1170 Fax (707) 864-1345
